EVENTS & TOURS

In addition to our yearly customer appreciation celebration and community events, we encourage you to schedule individual or group tours of our San Rafael facility to see first-hand what happens to your garbage, recycling and compostables after we pick it up from your house. Whether you are interested in finding out how recyclables are sorted, what happens to garbage before it is transferred to the landfill, or simply want to visit our famous peacocks and pigs, we are happy to show you around! Or, watch our virtual tour on our website! Call (415) 458-5539 to schedule a tour. Visit ***www.MarinSanitaryService.com*** for tour details and to see the event schedule.

RESIDENTIAL GETTING STARTED GUIDE

WELCOME TO THE NEIGHBORHOOD

As a family owned and operated resource hauler, Marin Sanitary Service has been serving Marin County for more than 70 years. We're dedicated to a better Marin, and work to promote recycling and diverting waste from our landfills to conserve natural resources and to reach our goal of zero waste.

10 QUICK SERVICE TIPS TO GET YOU STARTED RIGHT

1. Use our ***Where Does it Go, Joe?*** online tool to find out if a material can be reused, recycled, composted, or what must be disposed of in your garbage. See inside for details.
2. Don't overfill! Cart lids must close completely.
3. Remove any weights, bungee cords or ropes that were used to secure the lids of carts on your pick-up day.
4. Place all carts at the curb the night before your service day.
5. Place carts at curb, two feet apart with handles facing away from the street. See illustration below.
6. You may rent additonal 64-gallon yard waste or recycling carts for a nominal monthly fee.
7. If you are going on vacation for two weeks or more, you may put a temporary stop on your service (up to three times per year).
8. Large household items, such as a dryer or couch, require special pick-up. Please contact customer service at least 24 hours prior.
9. We rent temporary debris boxes for big clean-ups or home remodeling projects.
10. Pay your bill, view your schedule and find resources at ***www.MarinSanitaryService.com***.

ONLINE TOOL TAKES THE GUESSWORK OUT OF SORTING
IS IT RECYCLABLE, COMPOSTABLE OR SHOULD IT GO IN THE GARBAGE?

Our online tool, Where Does It Go, Joe? will tell you! Just enter the material into the search field and the tool provides instructions on how to properly prepare or clean the item as well as what "stream" the material should go into: recycling, compostables or garbage. If it's reusable, we'll even suggest where you can donate it!

You'll find the tool online at:

WHAT TO DO WITH HOUSEHOLD HAZARDOUS WASTE

Your household hazardous waste, defined as waste with properties that make it potentially dangerous or harmful to humans health or the environment, must be disposed of properly at the ***Marin Household Hazardous Waste Facility***. The facility provides *free* household hazardous waste disposal for Marin County residents (except for Novato which has its own facility).

- ✔ Household batteries
- ✔ Oil based and latex based paints
- ✔ Liquid petroleum gas (propane) tanks
- ✔ Flammable liquids, thinners, solvents
- ✔ Motor oil, lube oil, antifreeze, car batteries
- ✔ Sharps in designated containers

Visit ***www.marinhhw.com*** to find out exactly what kind of hazardous waste the facility accepts (including weight and quantitiy limits). See the back page for hours and contact information.
